

Privacy Policy

At Jones Engineering Manufacturing Ltd. we are committed to safeguarding and preserving the privacy of our visitors.

This Privacy Policy explains what happens to any personal data that you provide to us, or that we collect from you whilst you visit our site.

We do update this

Policy from time to time so please do review this Policy regularly.

Information We Collect

In running and maintaining our website we may collect and process the following data about you:

Information about your use of our site including details of your visits such as pages viewed and the resources that you access. Such information includes traffic data, location data and other communication data.

Information provided voluntarily by you. For example, when you register for information or make a purchase.

Information that you provide when you communicate with us by any means.

Downloads & Media Files

Any downloadable documents, files or media made available on this website are provided to users at their own risk.

Social Media Usage

Jones Engineering Manufacturing Ltd operate its own official social media profiles. Users are advised to verify authenticity before engaging in any conversation or sharing information on these platforms.

We request that all users conduct themselves in an appropriate manner. We will never ask for any personal information and we do not hold any responsibility for confidential data shared on these platforms.

URL shortening is a technique used on the web to shorten URL's (Uniform Resource Locators). These links should only be clicked when they have come from a trusted source. If you do have any concerns, then please contact us to confirm its authenticity.

Our website features social sharing buttons, which help share web content directly from web pages to the respective social media platforms. These features are used at your own discretion and we ask that you contact us should you have any concerns.

Storing Your Personal Data

Unfortunately, the sending of information via the internet is not totally secure and on occasion such information can be intercepted. We cannot guarantee the security of data that you choose to send us electronically, sending such information is entirely at your own risk.

We will only store your personal data for as long as is necessary. If there is no longer a need to hold your data then your personal information will be erased accordingly.

Disclosing Your Information

We will not disclose your personal information to any other party other than in accordance with this Privacy Policy and in the circumstances detailed below:

In the event that we sell any or all of our business to the buyer.

Where we are legally required by law to disclose your personal information.

To enact fraud protection and reduce the risk of fraud.

Third Party Links

On occasion we include links to third parties on this website. Where we provide a link it does not mean that we endorse or approve that site's policy towards visitor privacy. You should review their privacy policy before sending them any personal data.

We process personal information for certain legitimate business purposes which include some or all of the following:

- To identify and prevent fraud

Whenever we process data for these purposes we will ensure that we always keep your personal data rights in high regard and take account of these rights. You have the right to object to this processing if you wish, and if you wish to do so please contact us at sales@jonesengineering.co.uk

Your Rights?

You have the right to request a copy of the information we hold about you and the right to have your data removed from our systems. You can contact us at sales@jonesengineering.co.uk or via post if you wish to request a copy data held about you or have your data removed. In your message you should state the nature of your request and include as much detail as possible about your business with us.

We may use automated decision making in regard to your personal data for some services. You can request a manual review of the accuracy of an automated decision that you are unhappy with.

Contacting Us

Please do not hesitate to contact us regarding any comments or complaints relating to this Privacy Policy at sales@jonesengineering.co.uk or via post

Website disclaimer

The information contained in this website is for general information purposes only. The information is provided by Jones Engineering Manufacturing Ltd and while we endeavour to keep the information up to date and correct, we make no representations or warranties of any kind, express or implied, about the completeness, accuracy, reliability, suitability or availability with respect to the website or the information, products, services, or related graphics contained on the website for any purpose. Any reliance you place on such information is therefore strictly at your own risk.

In no event will we be liable for any loss or damage including without limitation, indirect or consequential loss or damage, or any loss or damage whatsoever arising from loss of data or profits arising out of, or in connection with, the use of this website.

Every effort is made to keep the website up and running smoothly. However, Jones Engineering Manufacturing Ltd takes no responsibility for, and will not be liable for, the website being temporarily unavailable due to technical issues beyond our control.
